

開講年度／Academic year	2024年度	開講開始学期／Start date	春学期
授業コード／Course code	S0020	授業名／Course title	Globalization and Asia/Globalization and East Asian Economies [EAS][火4+木4]
授業区分／Course classification	講義	単位数／Credits	4単位
曜日時限／Period	火曜4限、木曜4限	教室／Classroom	6102教室、3223教室
担当教員／Instructor	ミカエル・コトホフ	科目ナンバリングコード／Subjects numbering code	AST32060
キーワード／Keywords	Globalization, Economy, Social development, Asia		
授業の概要／Course outline	Globalization affects different aspects of economic and social environment in Asia. In this class we will focus on how globalization process changes the economic and social development in Asian countries. In particular, we will discuss the impact of globalization on the economic integration, free trade, labor migration, quality of life, education and knowledge economy, cultural exports, technology development and environmental sustainability.		
到達目標／Learning objectives	Students will understand the impact of globalization process on the economic and social development in Asian countries through real-life examples, case studies, class discussions and homework assignments. Students will be able to design a roadmap for a more sustainable economic and social development in Asia.		
授業を通して身につく能力／Abilities to be acquired in this class	○専門的知識　○主体的な学習態度　○批判的な学習態度　○対話力　○グローバルな思考力		
PC等デバイスの持参／Bring your own PC or other device	It is recommended that the students bring their own device, such as a laptop or a tablet to a class session.		
履修上の注意事項／Course guidelines	None		
-	授業計画／Class outline	授業外学修（予習および復習）／Preparation & review	目安時間（分）／Approx. time (min)
第1回／Class outline session 1	Course introduction Introductions Effective learning strategies	Students should spend at least 1 hour per week reading the online materials provided for each week's topics and preparing for the class. Online resources will be recommended throughout the course, including articles, statistical data, YouTube videos etc. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第2回／Class outline session 2	Understanding the globalization process Class discussion	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第3回／Class outline session 3	Understanding the changes in the economic environment in Asia	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第4回／Class outline session 4	Economic environment in Asia: class discussion	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第5回／Class outline session 5	Understanding the changes in the social / cultural environment in Asia	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第6回／Class outline session 6	Social/cultural environment in Asia: class discussion	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第7回／Class outline session 7	Understanding the changes in the technological environment in Asia	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60

第8回／Class outline session 8	Social/cultural environment in Asia: class discussion	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第9回／Class outline session 9	Economic aspects of globalization in Asia	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第10回／Class outline session 10	Mid-term exam (a written exam, based on the topics discussed in Week 1-5)	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第11回／Class outline session 11	Economic aspects: Economic development - class discussion	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第12回／Class outline session 12	Economic aspects: Economic Integration / Free Trade - class discussion	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第13回／Class outline session 13	Social aspects of globalization in Asia	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第14回／Class outline session 14	Social aspects: Labor migration - class discussion	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第15回／Class outline session 15	Social aspects: Quality of life and social development - class discussion	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第16回／Class outline session 16	Social aspects: Education and knowledge economy - class discussion	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第17回／Class outline session 17	Cultural aspects of globalization in Asia	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第18回／Class outline session 18	Cultural aspects: Cultural exports - class discussion	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第19回／Class outline session 19	Technological aspects of globalization in Asia	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第20回／Class outline session 20	Technological aspects: Social media and communication - class discussion	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第21回／Class outline session 21	Environmental aspects of sustainability in Asia	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第22回／Class outline session 22	Environmental aspects: Sustainability initiatives in Asia - class discussion	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第23回／Class outline session 23	Sustainable roadmap for the economic and social development in Asia	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第24回／Class outline	Sustainable roadmap - class discussion	Homework materials will be provided in	60

session 24		class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	
第25回／Class outline session 25	Review (Session 1)	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
第26回／Class outline session 26	Review (Session 2)	Homework materials will be provided in class. Students are required to read all materials and prepare to be able to actively engage in the classroom.	60
オンラインで実施する授業の 回数／Number of sessions to be conducted online	3回		
評価方法／Evaluation method			
種別／Category	割合／% (1～100)		評価基準等／Evaluation criteria
授業時間内に実施するテスト ／In-class/mid-term tests	30	%	Written exam, based on the topics discussed in Week 1-5
授業への取り組み／ Effort/Participation	20	%	Students answer a homework question in class once a week. Students write their own answer and comment on other answers. One point is given for participation in each of the weekly discussions.
その他 1 ／Other 1	50	%	Short-answer questions, based on all topics we discussed (Week 1-12)
評価方法に関する備考／ Remarks for Evaluation method			
課題等（試験やレポート等） に対するフィードバック／ Feedback method	Individual written feedback provided to each student.
